

DISCLAIMER

(Updated May 2020)

Product image

The product image provided serves as a reference closest possible to the real product but by no means reflect the exact characteristics including size and colour of the real product due to different conditions during the time when the product photos were taken.

Copyright and right of the producer of a database

The site of the Platform/Auction of APC as well as all of its components are protected by copyright. It is prohibited to exploit, let, lend out, broadcast, copy, change, adapt, translate texts, layout, photographs, drawings, films, graphs or other elements in whatever form possible - electronically, mechanically or by other means - either completely or partly without the written authority of the Platform/Auction of APC. The same applies to retrieving and possible use of data of the database.

Trademarks and tradenames

All names, logos, and other signs that are used on this site, among other things the logo and the name of the Platform/Auction of APC, are trademarks and/or tradenames that are property of the Platform/Auction of APC and that are legally registered. Each use of it/them or the use of similar signs is strictly prohibited without the previous and written authority of the Platform/Auction of APC.

Content

The Platform/Auction of APC takes utmost care over the design, the composition, and the maintenance of this site. However, the Platform/Auction of APC does not guarantee that all information that can be retrieved on the site is adequate, correct, complete and up-to-date. By no means the Platform/Auction of APC can be held responsible for the content of this site, for the information or for the lack of information, or for the consequences of possibly using it. Neither can the Platform/Auction of APC be held responsible for the content of other sites to which hyperlinks have been made. Neither the Platform/Auction of APC nor one of its representatives or staff members can be held responsible for damage which should result from using this site or from the link with this site. This refers to any damage, including but not limited to direct or indirect damage, loss of data, loss of income or profit, damage or loss of properties, or claims by third parties.
