

PEREZ MERCADER S.A., true specialists in rice production

With a production capacity of 2,000 tons of raw material per month, Pérez Mercader SA industrializes three different qualities of polished rice, which are marketed under different brands.

Main products: “*El Galeón*”, grade 1 quality, the seeds are classified by color, size, without defects and according to a single variety. It is found in presentations of 500g - 1kg - 1lb - 2lb - 5lb - 10lb - 25lb - 50lb. Secondly, “*el Mesonero, Chapetón*”, grade 2 quality, in presentations of 500g - 1kg. Lastly, “*el Remolón*”, second quality rice that is sold in the domestic market.

Two types of conventional rice flour and a pregelatinized flour are also marketed under the brand “*El Galeón*”, registered as **Gluten-Free Food (GFF) by the Food Control and Bromatology Institute (ICAB)**. Also, the company has a **quality certification of Hazard Analysis and Critical Control Points (HACCP)** issued by the **International Agricultural Organization** and a **KOSHER certification issued by UK Kosher**. It is currently working to acquire the Global Standard certification equivalent to GFSI.

Its main foreign markets are the United States, Brazil and Chile. It is currently aiming at expanding its presence in Europe, Canada and Australia.
